Kiran Bandi commented on: **Backup Exec Won't Work Anymore?**

Have you stopped backup exec services before running the utility? If not, stop the BE services and run the utility. Also as you are using windows 2003, make sure that RSM service is stopped and disabled. Regards...

But be careful, the future is more than
just “*features*”

“

The battle of devices
has now become a
war of ecosystems.

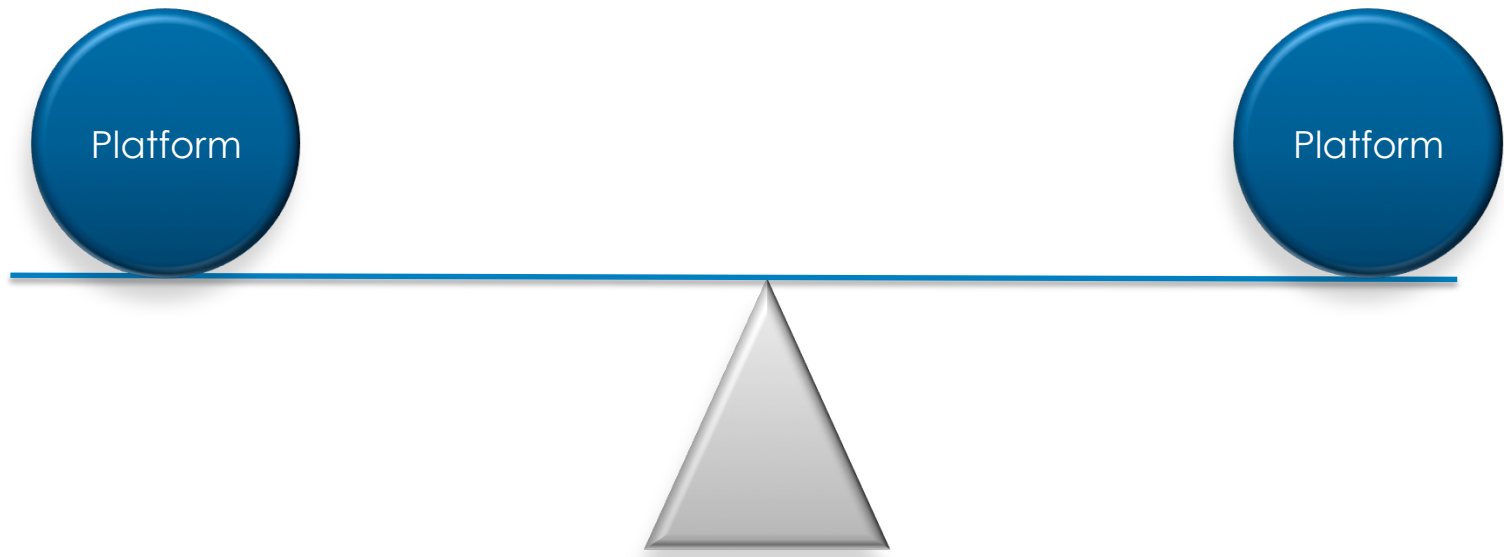

Our competitors
aren't taking our
market share with
devices; they are
***taking our market
share*** with an entire
ecosystem.
