STATE OF DRUPAL

Dries Buytaert · @Dries on Twitter · #Driesnote

Why?

What is our purpose?

We work, we earn,
we feed our children

Is there more?

Yes

We are changing the world

We help individuals build a dream

We help individuals build a dream

We give small organizations a big voice

We help individuals build a dream

We give small organizations a big voice

We give enterprises a new idea

We help individuals build a dream

We give small organizations a big voice

We give enterprises a new idea

We inspire wonder and delight

We help individuals build a dream

We give small organizations a big voice

We give enterprises a new idea

We inspire wonder and delight

We admit no boundaries

And we will do it again

Hello
my name is
Drupal 8

WE'VE UPPED OUR GAME

THERE IS A LOT OF WORK LEFT TO BE DONE

“If you want to go quickly, go alone.
If you want to go far, go together.”

- Al Gore

3 BIGGEST TO-DOS

01.

MAKE IT FASTER

- Still have backward compatibility layers in place
- Will start to focus on performance once these are removed

02.

FIX THE DEVELOPER LEARNING CURVE

- Simplify APIs
- Make code less verbose
- Write documentation

03.

SIMPLIFY UPGRADING

- Fix the upgrade path
- Help with Coder module
- Write documentation

Drupal 8 is here!

Why choose Drupal?

Use Drupal to build everything from personal blogs to enterprise applications. Thousands of add-on modules and designs let you build any site you can imagine. Join us!

Get started with Drupal

Drupal distributions

Distributions are a collection of pre-configured themes and modules for feature-rich web sites giving you a head start on building your site. Build your own online communities, media portal, online store, and more!

Learn about distributions

Develop with Drupal

Drupal

- Choose language
- Choose profile
- Verify requirements
- Set up database
- Installation profile
- Configure site
- Finished

Choose language

English

Translations will be downloaded from the Drupal Translation website. If you do not want this, select *English* and continue the installation. For more information, see the online handbook.

Save and continue

Launch Objectives

- Grow Drupal adoption as a percentage of site usage
- Grow the Drupal developer community
- Support and celebrate the existing community

Copyright 2013, The Drupal Association

Drupal™

Asset Wish List

- Overview video
- Overview presentation
- Drupal 8 training
- Sales guide for agencies and shops

Copyright 2013, The Drupal Association

Drupal™

Engaging the Community

Provide a promotion package with content and materials people can easily use to promote the launch:

- Example social media updates
- Overview presentation
- Branded assets (logo, brand guidance)

Copyright 2013, The Drupal Association

Country Groups on G.D.O

- Provide launch promotional materials
- Provide information that can be translated:
  - Press release
  - Example PR pitch
  - Example social media updates
